

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,	)	CASE NO. 8:13CR333
	)	
Plaintiff,	)	
	)	
vs.	)	TENTATIVE FINDINGS
	)	
DORENE DENA MURRY,	)	
	)	
Defendant.	)	

The Court has received the Presentence Investigation Report and Addendum ("PSR"), and the Defendant's objections and accompanying brief (Filing Nos. 34 and 35). See Order on Sentencing Schedule, ¶ 6. The Court takes note that the Addendum indicates the government has no objection to the PSR, and that the guidelines are correctly calculated, but the resulting guideline imprisonment range does not comport with the "spirit" of the Plea Agreement. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

Accordingly,

IT IS ORDERED:

1. The Defendant's objections to the PSR entitled, "Objections to Revised Presentence Report" (Filing No. 34) will be heard at the sentencing hearing;
2. The Court intends to adopt the PSR in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the

submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these amended tentative findings are final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 10<sup>th</sup> day of February, 2014.

BY THE COURT:

s/Laurie Smith Camp  
Chief United States District Judge
